

Is your organisation working with Autistic Young People?

DO YOU WANT TO increase your staff understanding of autism, give them practical strategies and increased confidence in working with neurodivergent youth?

DO YOU WANT TO make your service more inclusive and accommodating to the needs of autistic youth?

IF YOUR ANSWER IS YES...

We are offering bespoke training packages tailored to the needs and service offer of organisations in North and West London, who mentor or provide practical support to autistic young people between the ages of 12 and 24.

WHO WE ARE

We are a specialist autism charity with 26 years experience of providing practical support to autistic people of all ages, their loved ones and their wider networks.

WHAT ABOUT FUNDING?

This training package is fully funded by Mayor of London as we are the recipient of a Leaders Award, part of the Children and Young Londoners New Deal for Young People.
